

Disintegrate

© Madil Hardis 2023

Today I saw your reality
And I know how you feel
Few people are here to stay
And I know you are leaving

I am in two minds
We were both good and bad
Something, and nothing
But I had hope

Maybe one day when we cross paths again
We will find each other anew
But maybe, just maybe
I will tell you: Now it is too late
Now it is too late
Now it is too late
