Elite Talent Sports Management Agency has a Mentor program already established, through the partnership with NFL/ Stanford Graduate Kevin Scott: [www.startathletes.com](http://www.startathletes.com) Through our partnership we are able to track the student-athlete progress starting in the fifth grade throughout his/her professional career. How it works? We will get written consent from the parents, Principal, Counselor, Athletic Director to receive the players progress reports, and report cards. The student-athletes' are assigned a Mentor from respective sports (according to players), however if student-athlete is failing we will provide tutors to help maintain our Mandatory 3.30 GPA. Elite-Talent Student-Athlete will start SAT/ACT preparatory classes starting in the 8-9th grade (depending student-athletes progress). Elite Talent also through partnerships' are able to track ALL the student-athletes achievements, and accomplishments i.e All-American, All-State, All-Area, Honorable Mentions etc. Elite Talent is the new era of Social Media recruiting, we are ahead of the curve. By having a successful NBA, NFL, MLB, NASCAR, NCAA player mentor a young student-athlete, and just know that someone care make a BIG difference! We are in talks with major organizations to make this dream a reality; Steve Harvey Foundation, Arthur Blank Foundation, Rickey Smiley, Tavis Smiley, The Tom Joyner Foundation, V103, Illinois State Representatives, Morehouse Alumni Chapter, NFLPA,NFL players association, MLB,NCAA, NASCAR.....just to name a few. Why there is a need for this Organization?

Father & A Friend Forever Foundation is in need to bring back the student-athlete, and accountability in the household. Father & A Friend Forever Foundation will provide legal guidance that otherwise Fathers/Men would not be privileged to. There is a need to make the Man accountable and responsible for his actions, and understanding the role of a Father. Each 1 Teach 1 will also lead by example, through mentorship programs, seminars, etc. Through these programs we will also teach young men how to be respectable, pull there pants up,(wear a belt), speak articulately, tie a tie, proper grooming, how to sit at a table and eat formerly, proper etiquette, and most importantly next to being a student-athlete: WHY/HOW TO RESPECT YOUR ELDERS!!

There is also a need to educate our youth about inequalities, injustices, and how to bridge the gap between our youth and law enforcement. We will also work with all levels of law enforcement, including FBI, CIA, DEA, State and Local law enforcement to bridge the gap between our communities, student-athletes, Political Leaders, and law enforcement. Education is the key! Each 1 Teach 1....
