

FAREWELL (Song)

There was a time,

when I was whole.

There was a time, when I was free.

There was a city I called home.

And there was someone holding me...

Farewell...

Will anyone miss me?

Farewell...

Will anyone cry when I'm done?

When I'm gone?

Will there be anyone?

Farewell...

Will you forget me?

Farewell...

Will you forget,

the way I

kissed your lips...

I had so much

to give...

And now I'm alone...

It's dark inside and out...

VIKA (V.O.)

(Song) When I saw you,  
I quickly realized  
that everything was right  
and I've been waiting  
for this moment all my life...  
I saw you, and everything made  
sense...  
So, why don't stay with me...

ANTONIO

What the hell?...

VIKA (V.O.)

ANTONIO

But, honey, you are dead.  
I know it's weird but... But

put your song on the walkman.  
I don't know why, but...  
Honey, please open the door.  
Please Vika.

ANTONIO

No please... I just want forgive myself, if I... Please don't do this to me... Baby, just stay here please... More with me please.

VIKA

Antonio... I'm already dead.

ANTONIO

Why? Why you did it?

VIKA

It wasn't your fault... It's okay. If you really love me, you have to let me go... I'm not your prisoner. You have to destroy it.

ANTONIO

One last time, please...

VIKA

Okay...

VIKA

(Song) When I saw you, I quickly realized that everything was right and I've been waiting for this moment all my life... I saw you and everything made sense... so why don't you stay with me? But when the times are hard just listen to my heart... It will remind you everything we've been through...

ANTONIO

Yeah, when the times are hard, the world will fall apart. But I'll be always by your side holding you.
