LOGLINE

When Gunner uncovers his Wolf-Spirit heritage and the truth about his estranged father, he's thrust into a war over the Wolf Claw Amulet. Torn between Kaleb and Rainen, he must embrace his destiny and fight alongside Sheriff Julia before an ancient enemy reshapes his fate forever.

Gunner Holder's life unravels when he discovers his connection to an ancient werewolf bloodline. His estranged father, Ushi, reveals that Metzahopa—a vengeful shaman—has returned, seeking the Wolf Claw Amulet to rule the living plane.

If she succeeds, she will raise an army of spirits and reshape the world in her image.

As the mischievous spirit Bopolli warns of his approaching transformation, Gunner is torn between his love for Kaleb and his growing affection for Rainen.

But when Kaleb's life is on the line, Gunner wields the Wolf Claw Amulet, embracing his power in a desperate fight to save the one he loves.

SYNOPSIS

FEATURE WITH SERIES POTENTIAL

ACT ONE pg 1-25

Call to Destiny

Gunner struggles with his identity, torn between his love for Kaleb and his growing affection for Rainen.

His estranged father, Ushi, returns after years of absence, just as the vengeful shaman, Metzahopa, seeks the Wolf Claw Amulet to rule the living plane.

As supernatural forces close in, Gunner is thrust into a war he doesn't understand, with enemies from another plane of existence.

ACT TWO pg 26-87

Gunner Wolf & the Rising Threat

Metzahopa's influence spreads into the town, twisting those she touches and escalating the violence.

The spirit Bopolli warns that the Gunner's transformation cannot stop.

Ushi pushes him to understand his lineage and the role he must play, but Gunner is still coming to terms with what he is becoming.

When Kaleb is attacked and left fighting for his life, Gunner blames himself for not protecting him.

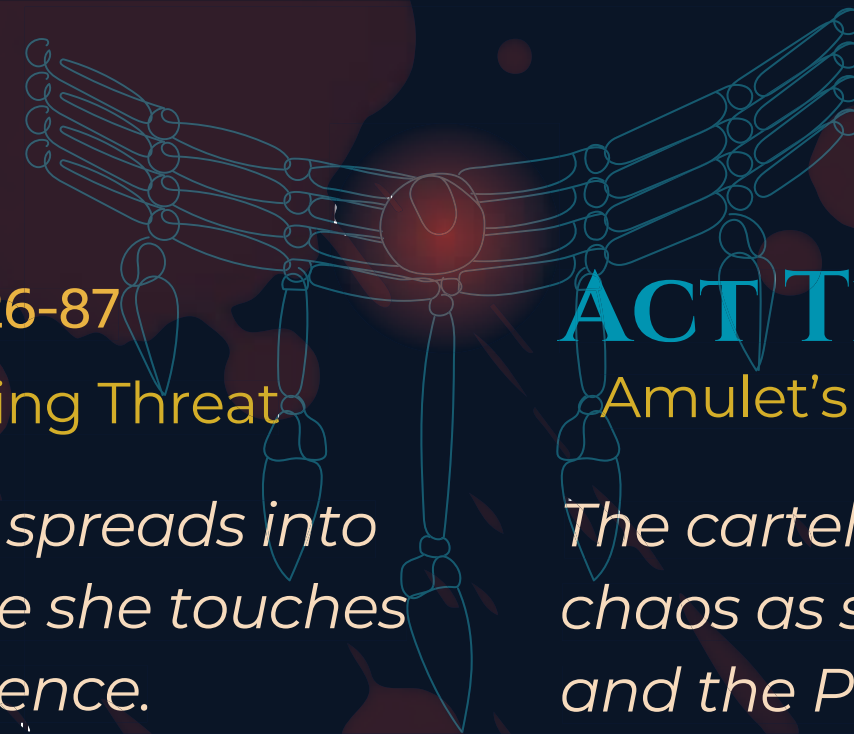

ACT THREE pg 88-106

Amulet's Power & Final Bloody Battle

The cartel compound erupts into chaos as state police, SWAT teams, and the People of the River clash with Metzahopa's forces. Arrows and gunfire cut through the night, and supernatural forces descend upon the battlefield - a blood bath.

The cartel is subdued, but Gunner realizes his battle isn't over—Metzahopa may be gone, but Kaleb's life hangs in the balance.

With the amulet secured, Gunner turns his focus to what truly matters—rushing to Kaleb's side.

GUNNER WOLF

About the Writer

My writing blends sci-fi and fantasy with subtle social commentary, focusing on diverse relationships and personal growth. I explore deep emotional conflicts, often highlighting the tension between technological advancement and human vulnerability.

At the heart of my work are stories about redemption, personal growth, and confronting moral dilemmas. I'm drawn to characters navigating difficult choices and finding hope in unexpected places. I also explore how extremist ideologies can threaten freedom and individuality.
