

PRESS KIT - The Mission is Complete, Angelique

by Lillie Jean Trueman

Film Team:

Lillie Jean Trueman - Director, Writer, Editor, Producer, Cast, DOP, Creator

Lillie Jean Trueman (born April 18, 2001, in New York) is an award-winning actress from New York City. She trained at the T. Schreiber Studio for Meisner Technique and British Dialects, and is known for Lillie Jean TALKS! Live, starring Hollywood actors like Don Most, and the award-winning films she wrote: The Trapper Trap - The Rise of Princess Glamourite and The Chorus in Our Eyes. Television work includes HBO's "The Gilded Age" S3, and a guest star role on The FNL Show.

Laura Rene Marks-Trueman - Producer, Special Thanks

Laura Rene Marks-Trueman (Born June 23, 1967, in the Bronx, New York City) is a vintage, memorabilia, and antique dealer with expertise in the entertainment industry. She is the manager of actress [Lillie Jean](#). With her original business starting in the late 1990s as a separate woman-owned company based in Queens, she started out servicing the metropolitan area with unique memorabilia from years past. Over several years, she built a loyal local following that has enabled her to expand into providing props to major theaters and movie studios. She has worked with several major studios such as Paramount, Warner Bros Other, and projects that include Mad Men, The Alienist, [Public Enemies](#), [Men in Black Series](#) (1 through 3), and Shutter Island. Her Jewish heritage is both Russian and German, and she is Ashkenazi.

LOGLINE:

Angelique is recognizable by her long red hair, searing blue eyes, and fierce attitude. She will not put up with the antics of a former lover. The mission is not complicated. So don't complicate it.

Synopsis

Sharp-tongued Angelique is recognizable by her long red hair, piercing blue eyes, and fierce attitude. She won't tolerate the antics of a former lover and believes the mission is straightforward. Through visuals of sound, scenery, and motion, all eyes are on Angelique
