Two separate grade point averages based on a 4.0 scale are computed for each student: The **Weighted GPA** includes courses in the areas of English, foreign language, mathematics, science, social studies or other elective courses at the Advanced Placement or honors level. The **Unweighted GPA** includes all courses. No weighting system is used and all courses are considered of equal value.

Grade point averages will no longer be used to determine a class rank. Please see profile for more information.
