

Dear [Festival Name/Program Coordinator],

I am excited to submit my short film, *A Lavender Heartbeat*, to the [Festival Name] Film Festival. *A Lavender Heartbeat* follows a young man caught between optimism and despair as his girlfriend's cancer becomes more imminent. This story is deeply personal to me, inspired by my own experience during my mother's battle with cancer and the complex emotions I faced while sitting by her side in the hospital.

I believe this film would be a meaningful addition to your program, as it aligns with the festival's commitment to inclusivity and elevating unique, emotionally resonant narratives. The film was created in collaboration with a team of passionate individuals—many of whom have also been personally affected by cancer—which added further depth and authenticity to the project.

Thank you for your time and consideration. I'm truly honored to share this story and hope it resonates with audiences at [Festival Name].

Warmly,
Sergio Preciado
