My Favorite Martian meets Holes

LOGLINE

When a mysterious alien crash-lands on Earth seeking refuge, four siblings with newfound superpowers must band together to collect pieces of a magical meteorite before a sinister extraterrestrial force captures the alien and threatens to destroy the planet.

SYNOPSIS

Four siblings - Tyrone, Sian, Mia, and Ceanna - discover an alien named Moodar after a meteor crashes near their home. Moodar is on the run from the evil Kriton who wants to steal his people's powers.

The kids team up with Moodar to collect shards of the meteor, which give them special abilities, before Kriton arrives on Earth.

After a climactic showdown, the kids and Moodar defeat KRITON by turning him to stone, but Moodar's spaceship is destroyed in the process. In the end, Moodar becomes part of the kids' family while they work to understand their newfound powers.
