INT. RESTAURANT. DAY

CHAPTER 1

It's a busy day in Berlin. A plate of food is readied on a table waiting to be served. A waitress walks in, takes the plate and walks towards the table its being served to. She comes over to a table and drops the plate in front of two men.

NIKOLAS

Thank you...

She walks away while the two men discuss. NIKOLAS, 25 years old is visibly upset with his friend DAMON, 26 years old.

NIKOLAS (cont'd)

Congrats on the new job by the way...

Nikolas stares at Damon as he is eating.

NIKOLAS (cont'd)

Yo-you know it's crazy, you never told me you applied for the same job I applied for after telling you about it.

Nikolas nervously chuckles.

NIKOLAS (cont'd)

(angry)

I needed that job Damon! You know, you and I, we are not the same, I have priorities and responsibilities. Do you know how hard it is to get a job in this city?! I wanted that job-

Damon cuts him off.

DAMON

I have always wanted to ride a snowmobile you know...Sadece okyanusta yüzüyorum ve hiçbir şeyi umursamıyorum. Bütün kadınlar tezahürat yapıyor.

He drinks and laughs it off while Nikolas stares at him confused.

NIKOLAS

Are you even listening to me?! Why would you do this? I trusted you when I told you about the position, I was happy when I told yo-

Damon cuts him off again.

DAMON

I also like boats, technically the same as a snow-

Nikolas hits the table out of anger.

NIKOLAS

(angry)

STOP!(pause) You made me think you were my friend and you don't even give a shit about what you did.

There is a short pause as Nikolas looks at Damon.

NIKOLAS (cont'd)

Was I ever your friend?

Damon stares at him with a straight face.

DAMON

No. You know there is one thing you should know Nikolas. Dışarısı bir orman ve ben aslanım ve aslan acıktığında yer.

Damon downs his drink and slams into the table.

CHAPTER 2

At a table sits a couple, Max and Victoria. The waitress brings some food.

MAX

Hey sorry but my wife is on a strict diet, is there any glucose in this?

WAITRESS

Yes. I can return it if you want.

VICTORIA

No don't worry it's fine.

MAX

You sure?

VICTORIA

Yea. It's our anniversary. It's fine.

The waitress walks away and Victoria starts eating. Something is upsetting Max as he looks at his wife eating the meal.

MAX

Hey hey woah, take it easy. Too much of that glucose isn't good for your blood. Did you check your BP before we left like I asked?

VICTORIA

MAX! It's fine. You care too much sometimes and it drives me nuts. Let's enjoy this meal, a little glucose isn't going to kill me okay?

Max nods and sits back and the couple hear the table bang on the other table. Max looks over and dismisses it but suddenly has the urge to speak again after a short pause.

MAX

Stressful day I guess...(pause)...but I'm sure you heard about the woman that died last week after eating too much gl-

VICTORIA

(angry)

MAX STOP! It's our anniversary, the kids are with Grandma, I have work in the evening and I'm hungry so for fuck sake, don't ruin this please.

MAX

I was just sayi-

VICTORIA

Don't, just don't okay, I have had enough for one day.

Max sits back but suddenly has the urge to speak again after seeing Victoria eat.

CHAPTER 3

A little away from Max and Victoria sits another couple, Elena and Joe.

ELENA

Hey babe, can we not come back to this restaurant again? It's freaking me out.

JOE

(laughs)
Why do you say that?

ELENA

Well considering the fact that in the space of two minutes, one guy almost slammed the table and another woman just finished arguing with her husband I think...

Elena turns her head to look at Max and Victoria table.

ELENA (cont'd)

Oh look they are still arguing. The lady looks so sad...and angry.

JOE

Hey it's fine, they are probably having a bad day. By the way I got you that concert ticket you always wanted.

ELENA

Taylor?

JOE

(laughs)
Yep that's the one.

ELENA

Thank you baby.

The couple holds hands on the table until they hear a distant shout.

VICTORIA

(shouting)
Get out Max! Please get out!

MAX

Hey I was just looking out for yo-

VICTORIA

Please Max, I'm begging you, get out.

MAX

Okay fine fine, see you at home.

Max walks away and Joe and Elena are stunned.

JOE

Wow...so that happened.

ELENA

I know right.

The couple continue eating but Victoria starts crying profusely so they go ahead to console her.
