HEAL AVEC DELPHINE

A groundbreaking docuseries featuring Delphine Breyne that ushers in a new era of beauty and healing through authentic and emotional stories of resilience from individuals facing hair loss from cancer, alopecia, anxiety, and more.

WATCH TRAILER

Experience the award-winning docuseries Heal avec Delphine — a celebration of resilience, healing, and the quiet power of being seen.

SERIES OVERVIEW

Heal Avec Delphine is a groundbreaking unscripted docuseries that reveals the life-changing power of restorative beauty. Each episode follows individuals facing the profound challenges of hair loss due to cancer, alopecia, trichotillomania, anxiety, and other conditions.

Guided by world-renowned beauty restoration expert Delphine Breyne, participants experience more than a transformation of appearance—they rediscover strength, dignity, and self-worth. With a light touch and deep intention, Delphine's artistry becomes a pathway to emotional healing, offering hope that radiates far beyond the mirror.

In a world burdened by self-esteem struggles and unrealistic beauty standards, Heal avec Delphine offers a powerful counter-narrative: beauty is not about perfection, but about restoring wholeness and confidence from within. The series invites audiences into uplifting journeys of resilience and renewal, inspiring a new consciousness that values both inner healing and outer transformation.

Powerful and transformative content by sharing real stories that heal

INSPIRATION & IMPACT

Heal avec Delphine was born from the stories of real people navigating hair loss, anxiety, and scars—challenges often overlooked or stigmatized. Delphine Breyne has spent years helping clients restore more than their appearance; she restores confidence, identity, and emotional well-being.

"My patients' journeys of resilience inspire me every day. This series gives their voices—and their transformations—the stage they deserve."

—Delphine Breyne

Hair loss and its emotional impact are rarely discussed openly, leaving many to feel isolated in their struggles. With millions affected by cancer treatments, alopecia, and mental health-related conditions, this series is an urgent call to redefine beauty, encouraging viewers to embrace connection and compassion—for themselves and for others—and recognize that healing begins both inside and out. There's never been a better time to tell these stories.

ABOUT DELPHINE

Delphine Breyne, founder of Delphine Eyebrow Couture, is a world-renowned restorative beauty expert. Originally from France, she has brought the Parisian experience of couture microblading to New York City, using semi-permanent makeup techniques that are both delicate and timeless. Delphine combines her signature light touch with deep intentions to help individuals renew their inner and outer beauty.

Starting as an international fashion model, Delphine's personal journey was shaped by her own eyebrow struggles. Since then, it has fueled her passion for helping others, particularly those facing the emotional toll of hair loss due to cancer, chemotherapy, and other challenges. With a belief in "perfectly imperfect," Delphine tailors each treatment to the unique facial contours and style of her clients, creating bespoke, transformative experiences that enhance their natural beauty.

At her atelier, Delphine has touched thousands of lives, restoring appearances and helping clients feel whole again. For cancer survivors, her artistry replaces what chemotherapy and surgery have taken away, rebuilding confidence and igniting joy.

EPISODE FORMAT

1. Meeting the Individual

Delphine steps into the participant's world—whether through yoga, prayer, a family gathering, or a walk with their dog. Through intimate conversations, we discover their struggles, hopes, and emotional journey.

2. The Atelier Experience

At Delphine's Parisian-inspired atelier in New York, they share their fears and aspirations. With compassion and artistry, Delphine guides them through the process and begins a transformation that restores both appearance and spirit.

3. The Reveal

Tears, joy, and gratitude as they see themselves renewed. Confidence and peace return, often shared in an embrace that captures the depth of the transformation.

4. A Special Surprise

Each episode closes with a tailored gesture—a photoshoot, a spiritual visit, or another meaningful experience—that underscores Delphine's genuine care and commitment to celebrating their renewed confidence and joy.

This heartfelt format ensures that each episode offers a powerful, uplifting journey of resilience, healing, and human connection.

PILOT EPISODES

Our casting call drew an outpouring of participants eager to share their healing journeys. The first two episodes highlight powerful transformations, with many more unique stories ready to be featured in future episodes.

Episode 1 - Susanna

After losing her eyebrows and eyelashes during chemotherapy, Susanna found strength through yoga, daily movement, and embracing her mantra of “one step at a time.”

Episode 2 - Irene

Facing stage 2 breast cancer and the challenges of chemotherapy, Irene has lost her job, much of her hair, and her sense of normalcy. She no longer wants to look like a sick patient.

THE OUTCOMES

Heal avec Delphine showcases the emotional, psychological, and physical before and after transformations of our participants. We capture their struggles, triumphs, and the profound effect of beauty restoration with Delphine. Patients can feel like themselves again.

OUR PATIENTS

At Delphine Eyebrow Couture, Delphine is proud to serve a diverse range of patients from around the world, who travel to New York City seeking her world-renowned beauty restoration services. They may live in other states or countries far away, but they come for treatment mainly to help them feel like themselves again, albeit with the added benefits of waking up looking fresh, and saving time in the morning, too!

From mothers of four in Ohio to A-List actors to runway models in Hollywood, people even fly in for the day or two from other continents just for treatment. Importantly, patients from all walks of life feel so comfortable in Delphine's calm, radiating energy that they open up - layers deeper than they ever have before - to reveal some of their most intimate insecurities, secrets, and sources of pain or anxiety, which they begin to heal avec Delphine.

Ultimately, Delphine believes that everyone deserves to feel confident and beautiful, no matter their circumstances.
