

SLEIGHED BY THE SPIRITS

"Temptation Never Takes a Holiday."

Sales Pitch

"Sleighed by the Spirits" isn't just a holiday film—it's a ministry through motion pictures. It reminds audiences that redemption is the real reason for the season, and even in our darkest battles, grace still wins.

Synopsis

This holiday season, sobriety comes with a battle. After a devastating DUI, Angel celebrates six months sober — but peace doesn't come easy. Haunted by loneliness and regret, she becomes the target of Leviathan, the dark spirit of addiction who stalks, seduces, and tempts her during the Christmas season. As Angel struggles to resist her spiritual tormentors — Whiskey, Vodka, and Malt Liquor — she must also face herself and the people who once loved her. What begins as a fight for sobriety becomes a battle for salvation.
