_ with Arabs?

_Yes problems with Arabs and with Guyanese

_How did you know about these problems while these people never come to your home ?

_I don't know

_I think the day before yesterday I watched a police car in the district

_I supervise trainees who live in the same district and they told me yesterday afternoon that people who live in the a mutual residence right there _ they are Algerian, morocco , whatever_ these people were playing console when suddenly some Guyanese came in and started making troubles! .. They created a big problem, they had a fight and finally a knife stab!

_ They had a gun

_A gun?

_Gun also ..

_And I've heard that a young man , who is Algerian or morocco, was hospitalised and now he is in a coma between life and death. He was injured by the knife in his belly . His belly is completely open . He is between life and death and I think he is 23, or 24 years old ... Maybe he is either Algerian or morocco I am not sure about his nationality

_I don't know

_Yes in Red cross district , Aragon

_ I can tell who is Algerians and who are is morocco

_ Guyanese wear a big golden necklace and if somebody wanted to steal his jewellery , he will start a fight against him , a very big fight with knives, guns , as if we are in Chicago !

_Every day they hit the Guyanese children , so Guyanese say: "why are hitting our children"? then the Arabs or I don't know ...

_Yes they are Arabs .. Algerians, Moroccans, or Tunisians

_They hit the children then the Guyanese adults said: "leave our children alone"

But I don't know what happened last Sunday , my daughter said to me :
"Mamie in the park .. "

_Yes the park?

_People of north Africa and the Guyanese are fighting! All the time

_Exactly!

_In the park

_But pay attention , it is not a normal fight! They use guns and knives and an Algerian woman told me that it is not over! They will continue their fight because there will be a settlement of scores

_Yesterday evening beside the store, do you know this store just below, in the same district ?

_ The big one beside Aragon? just like Carrefour stores?

_I am afraid!

_Beside the store there were young people who held a gun and a knife

_Yes you are right!

_He doesn't want to go to school?

_No

_He is afraid?

_Because Moroccans said: "we will kill every Guyanese we meet"

_Are you serious?

_Yes

_It is not possible!

_They sent us messages by internet!

_what? They sent messages by internet?

_Yes

_They said they will kill every Guyanese?

_ Oh non !

_Now present yourself , your name .. etc.

_What is your name?

_My name is Ali Noman

_Where are you from?

_I'm from Pakistan

_How long have you been in France?

_I have been in France since 2013
