To Whom It May Concern

I have known Tom Phillips for over 15 years. He was originally an acting and writing student at my Studio Dante theater. From the beginning Tom has always proven to be a man of honesty, integrity and great talent. I was proud to be a part of "Between Wars" and was involved in it for all the years of development because I believed in Tom's ability as a filmmaker and also his character as a human being.

Working as an actor with him and being directed by him was a joy and a pleasure. I have worked with some of the best people in my business and I absolutely feel that Tom is now on that list.

If you have an opportunity to work with him I suggest you dive in wholeheartedly.

Please feel free to email me with any further questions at LDVMPI@gmail.com

Sincerely,

Michael Imperoli
